PROFESSIONAL SUMMARY

Motivated Cyber Security undergraduate seeking a Cyber Security Internship in Sri Lanka, with hands-on experience in ethical hacking, penetration testing, vulnerability assessment, web application security, and network defense. Active Capture The Flag (CTF) competitor with participation in cybersecurity competitions conducted by the University of Ruhuna, IIT, and NSBM Green University. Experienced in using industry-standard tools including Kali Linux, Burp Suite, Nmap, Wireshark, Metasploit, Nessus, and OWASP ZAP. Currently serving as the Publicity & PR Director (2026/2027) of the ISACA Student Group at SLTC and actively involved in cybersecurity awareness initiatives. Passionate about continuous learning, threat analysis, and securing digital infrastructures — eager to bring this foundation to an internship role, with longer-term interest in SOC Analyst and Penetration Tester positions.
